

ENTERPRISE MOBILITY: ARIZONA STATE UNIVERSITY

(Mary Lou Fulton Teachers' College)

iTeachAZ is the Teachers College's teacher preparation program where teacher candidates spend their senior year immersed in a partnering pre-K-12 school.

SDG partnered with ASU to develop the iTeachAZ mobile app. This tool allows the users to observe, record and transmit observations and notes into an evaluative data dashboard.

SERVICES INCLUDE:

- Requirements Gathering & UI/UX Design
- Application Build and Secure Integration to Third Party System
- Automated Testing (Monkey Talk)

SDG SOLUTION

- 🔄 HTML 5 & Responsive Web design
- 🔄 Intuitive & User Friendly
- 🔄 Sync Functionality for Offline Work
- 🔄 Data Encryption for Offline Storage
- 🔄 Printer Friendly

RESULTS

- Contributed to increased teacher to student face time
- Reduced need for paper forms and manual input
- Happier Teachers

Time Saving Benefits
